- DEFENSE \$50+:** Recognition of your support on our website.

ABOUT US

Wentzville Girls Lacrosse (*founded as Wentzville Women's Lacrosse in 2004 in Wentzville, Missouri*) is a club organization that offers Varsity, Junior Varsity and Middle School teams. There are 12 games per team played against St. Louis area high schools and 10-12 for MS against area club teams each spring. There are summer and fall opportunities available for extra play. Since WGLax is a club team, any girl from any school or district is welcome to play on our team, as long as their school district does not have a sanctioned girl's lacrosse team.

OUR MISSION

Wentzville Girls Lacrosse's is committed to providing an athletic activity to willing and capable girls that do not have a lacrosse program at their school and to develop each player physically and mentally as they learn the game of lacrosse. We strive to develop young women to their fullest potential by teaching lacrosse according to their skill level as well as increase their "Lacrosse IQ" on and off the field that will incorporate self-discipline, hard work, dedication, team commitment and respect for the game.

WHY BE A SPONSOR?

Wentzville Girls Lacrosse is a non-profit 501(c)(3) organization, which means your donation will be tax deductible (always consult your tax advisor). Since we are not a Sanctioned School Sport we rely heavily on player dues and fundraising to help with the cost of new equipment, uniforms, practice, game fields, officials and all other costs to help the program run. Donations from local businesses and other supporters is greatly appreciated and helps make participation affordable for all players regardless of family income. Although cash is most helpful, in-kind support is welcome and very much appreciated as well.

Thank you for your consideration.
